

Fire Dept. Captain Injured At \$6,500 Blaze On Teel St.

An Arlington fire captain was injured Friday night, as hundreds of spectators watched Arlington and Somerville firemen battle a three hour, \$6,500 fire at 56 Teel street, Arlington.

Captain John Cuniff, officer of Engine four, tripped and fell while descending a narrow, curving flight of stairs in the two family dwelling. He was rushed to the Symmes Arlington Hospital where it was reported he was suffering from two or three cracked ribs.

According to Chief Richard J. Tierney, the fire started in the kitchen of the first floor apartment occupied by Mrs. Betty Joyce and her two nephews, all of whom were away at the time.

The flames swept through the kitchen into an adjoining corridor into the back bedrooms and up through the wall partitions, into an unoccupied second and partially occupied floor, ultimately burning through the roof.

The fire had apparently been

burning most of the day, according to Chief Tierney, before it was noticed by neighbors.

As the fire department arrived the heat of the fire broke one or two windows in the rear of the house allowing a draft to sweep through forcing the smoldering embers to break into flames.

George and Leonard Brown, occupants of the first floor, advised firemen that their one and one half year old Belgium shepard dog was tied in the cellar.

Two firemen in light gas masks attempted to enter but were repelled by the heavy smoke. However, the dog was rescued, after the heavy smoke had cleared, by two reporters on the scene.

The fire was extinguished about 7:30 p. m. after a three hour fight. Police reported that the house was owned by Mrs. Edna Lovering of Summer street, Arlington.

William N. Lantz was the occupant of the third floor and he too was away at the time of the fire.

Workman Dies After Fall At Bridge Cave In

A Boston and Maine railroad carpenter was fatally injured, Monday night, when he apparently slipped and fell through a caved in section of the Lowell Street Bridge in Arlington.

Lawrence Landry, 70, of East Cambridge was with a crew repairing the bridge which caved in on Monday afternoon.

It was reported that as he was attempting to lift away some of the debris on the bridge he lost his footing and fell through the opening in the span.

Fellow workers reported he landed on his back and was unconscious when they reached him.

Police and Firemen responded to the scene and removed the victim to the Symmes Arlington Hospital.

Hospital authorities reported he died from compound fractures of the skull and multiple fractures of the ribs.

The bridge, a twenty foot span across the tracks on Lowell street was discovered in a caved in condition early Monday afternoon by Officer Peter Greely of the Arlington police.

He advised the Town garage of the incident and the street was blocked off to traffic.

Residents of the street claim that a large cement truck was in all probability the cause of the cave in. They also stated that trucks, much heavier than that allowed on the bridge, race back and fourth over the span almost constantly.

A progress report of the Symmes Hospital Annex marks last Thursday as the first complete year of the Annex. Mr. E. Vernon Rich, administrator of the local institution, also pointed to the active signs of a Completion Program to revise the older sections of the Hospital. A busy man is he, and one whose earnest efforts are recognized and rewarded not only on the home front but by state and national groups as well.

Mr. Rich has brought to our Hospital an interesting and rich background, qualifying him for his responsibilities. He is a Hoosier from Westfield, Indiana. He received his early training in hospital work through a four-year apprenticeship in pharmacy at the Methodist Hospital in Indianapolis, following which he schooled at the Bellevue General Hospital in New York City, where he graduated in 1941.

That year he married Miss Arlene Park from Pittsfield, N. H., and returned to the University of Indiana. He served Norway's Sanatorium in Indianapolis as administrator and then was called to direct the Perfect Circle Piston Ring Company in their Health and First Aid Program in Richmond, Indiana. Later he became the Assistant, and subsequently the Director of the Laconia, N. H. Hospital, from which, in January 1948 Mr. Rich brought his cumulative experience and prestige to Symmes Arlington Hospital.

It is noteworthy that that same year he was made a nominee in the American College of Hospital Administrators. On Sunday, September 17, 1950, that distinguished organization met in convention at Atlantic City. At this session they elected E. Vernon Rich to membership.

Democratic Town Com. Will Meet

A meeting of the Arlington Democratic Town Committee will take place Thursday, October 5, at eight o'clock at the Hearing Room of the Robbins Memorial Town Hall.

Plans will be discussed for the State Election in November. Paul C. Griffin, chairman of the committee, will preside. All persons interested in the Democratic party are invited to attend.

Poison Kills 15 Dogs, Cats

Samuel J. Femia, dog officer of the Town of Arlington reported that fifteen dogs and eighteen cats have been deliberately and willfully poisoned during the past week.

Officer Femia said all of the deaths have been in the Arlington Heights area around the Locke School.

The type of poison being used is unknown as no autopsy has been performed on any of the dead animals. Such an operation would entail a thirty dollar fee, and the Town makes no such appropriation.

If any person in the Town knows or has any access to information which might solve the poison cases he should report the same to the dog officer at the Arlington Police headquarters.

No names will be used or released to the public if the informant so wishes.

The Arlington police department was granted a forty hour week, a town manager form of government for the Town was approved with a reconsideration amendment and an additional appropriation was made to the Public Works department for maintenance of the water system, at the first session of the Special Town meeting on Monday night.

An article to incorporate a new by-law for the Town of Arlington known as Article 16, relating to the establishment of a maintenance of a civilian defense department, was tabled for further discussion at the final meeting of the Special Town meeting.

The article was tabled after a substitute motion was proposed which would allow the Town to dispose of the by law whenever it so decided. The motion was not a

Bonnell Serves With Republican Fin. Com.

Ralph H. Bonnell, widely known Winchester and Arlington businessman, has been named a vice-chairman of the Massachusetts Republican Finance Committee, it was announced today by State Finance Chairman Walter E. Robb.

A resident of Winchester for 25 years, Bonnell has served as chairman of the Winchester Board of Selectmen and is presently on the town Planning Board.

Active in many civic affairs, he headed the building fund drive of the Winchester Hospital, is a director of the Winchester National Bank, president of the Winchester Country Club, and president of the Winning Farm, a charitable organization working with the South End House, and past vice president and past treasurer of the Massachusetts State Auto Dealers Ass. He also is chairman of the Caddy Com-

mittee for the Massachusetts Golf Association and has long been active on the scholarship fund committee for deserving caddies in the state.

In accepting his new appointment, Bonnell told Robb that he believes "strongly in the two party system and if we are to maintain this democratic system we must have a strong Republican party with the finances necessary to elect Republican candidates."

Mr. Bonnell's home is at 10 Fells Road, Winchester.

Meeting Wed.

The first business meeting of the Arlington Catholic Woman's Club will be held on Wednesday, October 11, at 8 P. M. in the American Legion Hall.

Awarded Scholarship In Physical Therapy

Miss Barbara M. Lake, 121 Mount Vernon Street, Arlington, Massachusetts has been awarded a scholarship in physical therapy under the nationwide professional training program of the National Foundation for infantile Paralysis. Mr. Richard O'Brien, Massachusetts representative for the foundation announced today.

Miss Lake is one of 121 Massachusetts residents to receive a scholarship since the National Foundation expanded its physical therapy program in 1945 to help combat a critical shortage of qualified personnel in the physical therapy field.

While 1443 scholarships have been awarded to date through the National Foundation alone, it is estimated that 15,000 physical therapists are needed to meet the ever-increasing demand for their highly skilled professional services. Since the first physical therapy appropriation of \$55,000 was made in

A Word To The Wise

On Saturday afternoon Arlington high plays a big football game a contest which may mean a successful season or just another year. The players will do well, win or lose, they're prepared to make their school and their Town proud of their gridiron feats.

It is sometimes a question whether all of the followers of a football team are as prepared to bring credit to their communities. We've witnessed one or two situations this year which have left an unpleasant opinion of some visitors to Arlington.

One North Shore high school is already "on the spot" because of supporters. State education authorities are watching more closely than ever the "incidents" which

activities of some of its alleged arise at major high school football games in recent years.

Radical action may be necessary if the roughhouse activities continue in the stands among spectators.

Arlington has an excellent record as a fair minded sports center. Let all of those thousands who swarm to Waltham on Saturday keep in the mind that there are bigger issues than the winning or losing of a close football game.

Cheer your Arlington team, exhort them to victory if possible, but remember that all the fight needed will be shown on the gridiron by Coach Toczylowski's excellent football team.

before the General Court for Modification before it is placed on the referendum for a vote. A modified Town Manager plan, voted on last year, lost by only 100 votes.

Article four on the Warrant, requesting a forty hour week for the police department was presented to the floor by Mr. Joseph A. Purcell, chairman of the Board of Selectmen.

The finance committee had recommended that no action be taken on the article and gave the following reasons: The cost of maintaining a department with the changes specified would cost \$30,000 for the year 1951 and \$4000 for the rest of 1950. It would entail the appointment of ten new men, a new lieutenant and sergeant.

Mr. Purcell then read a list of twenty cities and towns which had a forty hour week schedule for their police departments.

The article passed unanimously.

Article five, to see if the Town would make an additional appropriations to the reserve fund was passed in short order.

Article six, an appropriation of \$9000 for copper tubing to be used in maintenance of the water system was also passed after a long argument by John Murphy, chairman of the Board of Public Works.

Mr. Harold Magnuson, Town Moderator, then accepted a motion of adjournment and declared the time of the next meeting.

Seventeen articles have yet to be discussed four of them being the acceptance of gifts to the Town and the others various appropriations and changes of classifications as well as an article asking for special compensation for Town employees.

FORGET-ME-NOT SALE NEXT WEEK

On Friday, October 13, and Saturday, October 14, the residents of Arlington will be asked to buy a Forget-Me-Not — a little blue flower of remembrance. All of the funds collected on Disabled American Veterans Forget-Me-Not Day will be used in Arlington in welfare and emergency work among the disabled veterans and their families.

The immediate need for these Forget-Me-Not funds is for the caring of the disabled veteran and his dependents who may be in temporary financial distress. There are a number of reasons where this situation might arise. One instance is where the veteran is partially disabled, is taken seriously ill and is unable to continue his gainful occupation because of hospitalization. His income from part time or full time employment is interrupted or stopped altogether. When he or his family is in want, The D. A. V. comes to his assistance.

There are many instances where Arlington Chapter of the D. A. V. is called upon for assistance in emergency cases which require the expenditure of funds for medicine, clothing, food and ambulance fare. This is why we urge everyone in Arlington to buy a Forget-Me-Not on either Friday, October 13, or Saturday, October 14.

ing should be quite capable of repairing his own sewer lines.

It was also disclosed that the reason town men dig trenches in the street five feet long is because they have a five foot shovel.

Plugs for political candidates, on both sides of the fence were put into almost everyone's speech. The result being, the moderator repeating at frequent intervals, "You are out of order."

The policemen's wives really looked disappointed when the forty hour week was passed. It was a look of "Will he be around the house an extra day now?"

Mr. Harold Magnuson, Town Moderator, really was hoarse after reading the ten page Town Manager plan.

The Hardy School committee, reported that the school addition has been completed and will be open for inspection on October 9th.

The Daniel P. Barry memorial committee reported the plaque is now in the process of manufacture and the boulder on which it will be placed is on order.

Arlington Fire Dept's Notes

by "SPARK"

Arlington firemen made three trips to Somerville during the past week.

Twice they responded to the Teel square fire house to cover in while Somerville firemen battled two alarm fires.

Monday morning they responded to Teel square on a second alarm but as they arrived they were dispatched to a fire at the Better Homes storage warehouse, 7 Prescott street, Somerville. A third alarm had been sounded while the Arlington apparatus was on its way to cover at Somerville.

The fire did an estimated \$50,000 damage and Somerville fire officials said the state fire marshal's office will investigate the cause of the blaze.

In other department doings Deputy Fire Chief Bert McGreevy was appointed coordinator of the fire department civilian defense activities, according to an announcement by Chief Richard J. Tierney.

Auxiliary firemen will be added to the regular force, but at present nothing will be done until notice is received from Daniel McFadden, director of Arlington civilian defense.

Governor Dever Endorses Letter Writing Program

"Letters are daily bringing pleasure to many people in our land. The aged, the shut-ins, our servicemen and women treasure these letters. Parents look forward to news from children who may be far away. Boys and girls away at school like to know what is going on at home. The little note of thanks for a favor or a visit; a business matter was settled; an account of foreign travels; or, just an old-fashioned letter about the little happenings of the day will bring to others a warm glow of happiness. Letter Writing plays an essential part in our social and business life," said Governor Paul A. Dever in his Proclamation on Letter Writing Week, October 15 to 21.

Many of the schools in Greater Boston are planning special observances and will devote extra periods to the writing of letters, and business houses are cooperating by displaying in windows and counters such letter-writing essentials as stationery, fountain pens, ink and similar articles.

Postmaster Francis A. Crowley commented that if our servicemen were given the choice between a single merchandise gift or a weekly letter from home, the letters would win unanimous approval.

"There is need in these days for the happiness that letters can provide and certainly an article that can be prepared and sent at so little cost should be used more freely," said the postmaster.

Still Need Blood For Korean Front

Heavy donations of blood are needed for the Korean fighting front and for local hospitals.

Donors are asked to donate when bloodmobiles are scheduled to come here or to give at the Red Cross Regional Blood Center, 314 Daatmouth st., Boston, in the Copley Square section.

This community, which is one of the components of the Boston Metropolitan Chapter, is urged to share in donations which are being shipped each week for the soldiers and Marines who are fighting in Korea.

Besides the donations needed for the battlefronts, blood is also needed every day for the sick and injured, for maternity cases and for operations, in the hospitals of the Metropolitan area and the State.

Donation days at the Dartmouth st., center are on Mondays, Wednesdays and Thursdays from 11 a. m. to 5 p. m., and Tuesdays and Fridays from 2 p. m. to 8 p. m. Persons wishing to register in advance or obtain information on mobile visits are asked to call Copley 7-6930 for information.

Eye-witness accounts from Korea praise the marvelous use of whole blood and blood plasma which is bringing back wounded from the edge of death.

One GI stated he saw a buddy lying wounded on a Korean hill who was given an emergency transfusion of a bed sheet," he said. "Then the corpsman gave him the transfusion and before my eyes I could see the color of life come back to his face."

New Benefits For Veterans

The office of the Arlington Veterans service announced this week that Vets are to receive new benefits under the new social security act.

The new bill provides credits of \$160 per month to be allotted to veterans for each month of active service in the armed forces.

These credits may be added to credits earned in covered employment to establish eligibility for benefits upon retirement at the age of 65 or later for the individual, his wife and children under 18 who are unmarried, and in the case of death after August 31, 1950, to provide monthly payments to those entitled along with lump sum payments.

To Sponsor Big Games

National Company, makers of radio and television receivers, will sponsor the play-by-play radio broadcasts of all nine games on the Notre Dame football schedule, over Station WVOM, starting Saturday, September 30.

National Company is no newcomer to sports sponsorship, having been the first company to televise a B. A. A. Marathon and one of the first to televise racing at Suffolk Downs.

A pioneer in radio and electronics, the National Company is world famous for its short-wave receivers equipped nine out of ten Navy ships in the last war, and for the past few years has been making a complete line of television receivers.

Advertising agency for the National Company is John C. Dowd, Inc., of Boston.

A citation to a girl reporter at the front in Korea by the commanding officer of one of the units has praised her for the extra aid she gave corpsmen by helping them with transfusions in the battle areas.

Capsule Quiz

General George Armstrong Custer's name will ever live in American military history and that's why "Straight Arrow" of MBS' Tuesday and Thursday broadcasts, asks these questions pertinent to Mutual's Western Week. (1) Was Custer a soldier in the American Civil War? (2) What was the date and the name of the battle in which he and his command were annihilated? (3) Against whom did his unit fight and who was the leader of his adversaries?

Answers: (1) West Point graduate 1861. Served in all but one of battles fought by Army of Potomac. (2) Little Big Horn—June 25, 1876. (3) An estimated 3,000 Sioux Indians headed by Sitting Bull against Custer's 7th Cavalry.

Arlington Women Aiding Red Cross

Due to the present world situation, your Red Cross must be in constant readiness, during the coming year. We must be prepared to meet demands on very short notice. The work rooms at 661 Mass. Ave. have been open on Mondays, all during the summer and have had a number of "RUSH ORDERS" for Veteran's Hospitals and one for sleeveless sweaters for the Army.

Work has been resumed at the Unitarian and Baptist churches and Mrs. Kittredge group. Once more we are called upon to make "kit bags" for service men.

We are most happy to have Mrs. Ralph Lancaster back in the Surgical Dressing room. Mrs. Francis Chamberlain has accepted the Chairmanship of Canteen. Mrs. Walter Crosby having to resign, because of trouble with her arm. We are glad to report that she will help as much as she is able to and will continue as Mobile Chairman.

The Disaster Relief Committee, cooperating with the Town Relief Committee, includes Chairman, Rev. Halsey J. Andrews, Vice-Chairman, Arthur Sampson, Chairman of Registration and information, Miss Caroline Higgins. Canteen, Mrs. Francis Chamberlain. Mobile Canteen, Mrs. Walter Crosby.

by Motor Service, Mrs. E. L. Glidden Nursing Service, Miss. Gertrude Redmond, Medical Service, Dr. Gordon A. Saunders. Blood Bank, Dr. Richard J. Moran. Survey Chairman, Arthur Sampson. Chairman of food, James J. Golden.

The Chapter House at 17 Gloucester St., Boston, really hummed with activity for three weeks, starting July 24, when thirty representatives from Police and Fire Departments took part in an all morning, five-day week, 45-hour First Aid instruction training program, under the direction of Mr. Hallett. Capt. Harry Cooper, Arlington Fire Department, Sgt. George Fitzgibbon and Lt. Albert Ryan of the Arlington Police, completed this course. These men will teach the essentials of First Aid to members of their respective departments.

As the rains came down on Aug. 19, twenty two First Aiders were cooperating with the Cambridge Chapter, in manning nine First Aid Stations for the largest Am. Legion Parade. Mr. Thomas Callahan, Chairman of First Aid for Arlington Branch was there.

During Mrs. Glidden's vacation, Mrs. Reed carried on the work of the Motor Service. The regular trips on Tuesdays to the Waltham Tuberculosis Hospital and on Saturdays, to the Sanatorium in North Reading. We were glad to bring Robert Simpson home in September, as we took him over there, two years ago. Now he has entered High School with his own class. A number of cases were taken to the Mt. Auburn Hospital and Boston. At least three calls per week from Symmes Hospital for blood. Ladies have been taken to the Navy Building to sew on uniforms for the boys. There is need for workers every day, and they are rewarded with a good dinner, with the service men. Sixteen afternoons were given to the Blood Center, doing errands and taking donors to Dartmouth St.

Boston Motor service was most appreciative of the service rendered to the Blood Center by Miss Caroline Taylor and Mrs. Reed, when so many of their drivers were on vacation. The drivers for the summer included Miss Taylor, Miss Katherine Yerrinton, Miss Bertha Yerrinton, Miss Hallett, Mrs. Hokans, Mrs. Craig, Mrs. Campbell, Mrs. LaFayette, Mrs. Thompson and Mr. Stanton Hamlet. Again may we say "No Red Cross Drivers or Workers are paid."

Mrs. Hilda Tait is conducting a class in Home Nursing, two days a week, in the Robbins Library

The kiddies have their hours on TV too. Favorites among the youngsters are the WBZ-TV stars and shows pictured above. Smilin' Ed McConnell (top left), whose television show is seen Saturday afternoons at 5:00; "Kukla, Fran and Ollie" (top right), televised Monday through Friday at 5:00 P.M.; "Lone Ranger" (bottom left), the Saturday evening at 6:30 western show, and "Howdy-Doody", the Monday through Friday 5:30 puppet show.

TOWN CLERK NOTICES

The Town Clerk's office yesterday announced the results of special elections of Town Meeting Members.

Cesare J. Fiorenza, 82 Marathon St., was elected a Town Meeting Member in Precinct 1 until the next annual election to fill the vacancy left by the resignation of Clarence H. Marsh.

In Precinct 10, James R. Robson, 103 Glenburn Rd., will fill the vacancy left by the resignation of Gerald A. Tobin.

Hall. An evening class will be arranged if it is desired.

For particulars call Arl. 4-6660-R. The need for Red Cross trained Volunteers, for the various activities, in the Metropolitan Area is very great. New Classes are being started in all service.

All persons who are interested in any of the Volunteer Services are urged to contact the Vol. Service Office at 17 Gloucester St., Boston. Call the office at Kenmore 6-6226, or Arl. 5-6540 on Mondays, from 10 to 4.

Joan Cavanagh, Patricia L. Kelly and Donald Rigby, took the short term leadership training, at the Red Cross Aquatic School, South Hanson early in the summer. They are able to teach Red Cross courses in swimming and diving. Life saving and Water safety. The very attractive Stewardess on the Plane that carried the first blood to Korea, was Miss Helen Bohlin of Arlington.

QUICK TAKES

By Boer

"We was going as Roy Rogers, but Junior put his foot down!"

"Tea" Formation On A Big Scale

Everyone in Arlington will be "going to tea" by the time eight Parent Teacher's Association units put their latest money raising scheme into effect.

The idea is highly reminiscent of the recent "pyramid clubs" with as hostesses try to discover 'guests' not already promised. However, the new plan works in reverse of the pyramid clubs, however, and has gained the title "vanishing tea."

The ladies "tea off" at a meeting of sixteen who are usually members of the P. T. A. board. These sixteen each give a party for eight. The eight gave a party for four, the four, for two, and soon the "vanishing" point is reached.

But here's how it works out...

By the time the eight P. T. A. units have completed their tea parties there will be 8,192 people involved... that is 1,024 for each Arlington unit. At 25 cents per person per tea, there should be the amazing total of \$3,360 for the combined units, or \$420 per unit. That is provided, of course, that all of the plans of all of the ladies go through as scheduled.

While the tea vanishes, the quarters pile up (and probably so do the pounds (not the bank of England variety). The P. T. A. members plan to do many useful things for their units with the money raised. These units under the Arlington Council of P. T. A. associations composed of Presidents, Past-Presidents, and working members sponsor projects that benefit Arlington school children in a way that has made this council one of the most progressive in the state.

For example, the council sponsors the "Menotomy School of Art", primarily for developing the ability of talented pupils. However, the desire to draw and paint is sometimes the first indication of talent not yet recognizable. Creative art is recognized as a valuable emotional outlet for children, especially the shy child who prefers to let his work speak for him.

The "Menotomy School of Art" sponsored by the P. T. A. Council on a non profit basis, provides any child desiring to draw and paint an opportunity to learn to handle this medium of expression with skill at a minimum cost to parents. Classes are conducted by skilled teachers under the direction and supervision of Marion Ford, supervisor of art in Arlington, and Donald Plumer, supervisor of Art in Belmont. Proof of the desirability of this project is seen in the way the young art students flock eagerly to school at the Old Jr. High

Center for two hours on Saturday mornings throughout the winter.

Another project for which the council is famous is the "Fine Arts", the purpose of which is to bring to Arlington's children at a nominal fee three dimensional of "live" theatre performances featuring drama, music and ballet by professional performers. "Alladin" will be performed by Tributary players on November 18.

On February 19, some of the members of the Boston Symphony with Leo Litwin conducting "will be heard. On April 27 and 28, members of the Alicia Langford ballet troupe will give "Swan Lake" and "Sleeping Beauty." The high school will hear the Harvard Glee Club and enjoy a comedy farce by the tributary theatre players. The Arlington school department co-operates by correlation of school studies with these programs.

Though many things in Arlington homes are at a stand still while the P. T. A. women consume gallons of tea and fattening delicacies,

it's all worth while and the "vanishing teas" will contribute to the welfare of Arlington School children.

Those who held the "16" parties included Mrs. George Lea, president of the Pierce School P. T. A.; Mrs. Elmer Heaps, President at Brackett School; Mrs. Spencer Dornitzer, President at Locke school; Mrs. Nelson Brown, President of Crosby School; Mrs. James Aulenback, President, Hardy School; Mrs. Rudolph Regut, Preside Junior High West and Mrs. Von M. Weston, President of Parmenter.

The Sons of Italy will hold a sports night on Tuesday, October 10 at eight o'clock at their quarters at 9 Mystic street. James Cavaliere assistant football coach, will speak and will show pictures of various football games. A social hour for members and their guests will follow.

...the child you save may be your own!

The medicine cabinet holds a mysterious
fascination for most children. Make sure
dangerous drugs are disposed of or locked
up. Remember, a small child can't be ex-

Drowning while swimming or playing in
the water causes more deaths among chil-
dren 5 to 14 years of age than in any other
age group. See that your youngsters get
swimming instructions at an early age.

Fire Prevention Week Proclamation Issued

To the People of Arlington:

October 8 to October 14, 1950, has been proclaimed Fire Prevention Week throughout the nation and the Fire Prevention Program of the Arlington Fire Department will be the annual inspection of the cellars of all the dwellings in the town.

For the 27th consecutive year the Arlington Firemen will give their off-duty time for this cellar inspection which was started in 1924. As usual the Fire Department expects the same who hearted support which it has received during the past 26 years of inspections. House Inspection commences Monday, October 9th continuing until the cellars of approximately 9,000 houses have been inspected for possible fire hazards which exist often unknown to both owner and occupant.

According to statistics, 90 per cent of all fires are preventable. Too many lives are snuffed out because someone does not think. Careless disposal and handling of lighted cigarettes within the home has totalled a tremendous loss of life, painful injury and damage to property. One-third of the fires in dwellings are caused by cigarettes and matches.

For a Fire-safe Home Remember Guard against careless smoking and never smoke in bed. Keep mat-

ches away from children. Do not use gasoline for cleaning. The danger cannot be overestimated.

Remove old furniture or clothing from the cellar or attic. If you save newspapers, tie papers securely in bundles.

Keep cellar free from inflammable materials such as oilsoaked cloths, old paint brushes and paint pots. Do not accumulate rubbish. The cellar is the danger spot when cluttered with such and a fire in the cellar quickly extends to the attic.

Keep heaters in good condition and have oil burners serviced regularly by competent workmen.

Clean smoke pipes and chimneys before starting heater fires. Place ashes in metal container only, and never on the floor or against wooden partitions.

Do not use heavier fuses than prescribed and do not overload electric circuits with lamps, motors or appliances. Do not hang electric cords on nails. See that wiring is safe by proper installation. Often check electric refrigerators for defective motors and parts.

In case of fire, call the Fire Department at once. Do not delay in sounding alarm of fire. Through simple precautions and by being careful always, you can save your life and your home from fire.

Chief, Arlington Fire Department

Headquarters Reports

Thursday—Arthur Fallon, 3, of 17 Norcross street was taken to the Symmes Arlington Hospital after he had fallen down a flight of cement steps at 131 Mystic street. Hospital authorities reported he was treated for lacerations of the forehead and held for further x-rays.

Friday—Cosmo Lombardi 79, of 88 Fairmount street was rushed to the Symmes Arlington Hospital to be treated for a cerebral hemorrhage which occurred at home.

Saturday—Chris Allan of Arlington fell and injured his head in front of Howards Johnsons on Massachusetts Avenue today. He was rushed to the Symmes Hospital in the police ambulance where it was reported he was treated for lacerations of the forehead.

Saturday—Police report that an attempt to break and enter had been made at the "Astor" dress shop at 1353 Massachusetts Ave.

The wood around the lock of the rear door had been whittled away when it was discovered by a patrolman making his rounds.

Friday—Officer Raymond Forrest captured a speeding car, today, after a chase which started at the Winchester line and ended on Pleasant St., in Belmont. Officer Forrest, with two Belmont officers, stopped a car which had refused to stop in Arlington when signaled by the Arlington officer. The driver was booked for drunkenness and operating a motor vehicle under the influence.

WEDDINGS and ENGAGEMENTS

Cullen-Murphy Miller-Ryan

Saturday morning, at a 10 o'clock ceremony in St. Agnes Church, Arlington, Miss Catherine Mary Murphy became the bride of Mr. Charles Michael Cullen of Quincy. A reception followed in the Oval Room at the Copley Plaza.

Daughter of Mr. and Mrs. John L. Murphy of Arlington, the bride was given in marriage by her father and wore a gown of pale ivory satin fashioned with a fitted bodice, a short peplum, and long, pointed sleeves. She carried an old-fashioned bouquet of white roses with a white orchid center.

As maid of honor, Miss Irene T. Murphy was gown in orchid satin, and the bridesmaids, gowned similarly, were Miss Natalie Lambert of Brighton, Miss Alice E. Casey of Arlington, Mrs. Leon P. Mantion of Brookline, and Mrs. John J. Kelley, Jr., of North Scituate.

Mr. Leon P. Mantion was the best man, and the ushers were Mr. William Stewart of Quincy, Mr. Americo Ferullo of Boston, and Mr. John L. Murphy, Jr. and Mr. Thomas F. Murphy, brothers of the bride.

Mrs. Cullen is a graduate of Emmanuel College, and Mr. Cullen, who was graduated from Boston College, is a student at the Graduate School of Business Administration at the University of Chicago, where they will live.

Mr. and Mrs. James F. Ryan of 51 Westminster avenue, Arlington, announce the marriage of their daughter, Audrey Claire, to Richard H. Miller, Jr., in Arlington, Sunday, Oct. 1.

The bride was graduated from Arlington High School in 1942 and from the McLean Hospital School of Nursing in 1945.

The bridegroom is the son of Dr. and Mrs. Richard H. Miller of Boston and is a staff reporter on the Boston Traveler.

Following a honeymoon trip to Chicago, the couple will reside at 36 Lake Shore Road, Brighton.

Burns-Craig

In St. James Church, Arlington Heights Miss Edith Marion Craig, daughter of Mrs. Frank Craig of Arlington, was married Saturday afternoon to Mr. John Thomas Burns, son of Mr. and Mrs. John J. Burns of Roxbury. A reception followed in the 1775 House, Lexington.

The bride wore a brown gabardine suit with brown velvet accessories and a corsage of white pom pom chrysanthemums. Her sister, Miss Mary C. Craig, her only attendant, wore a dark green suit and a corsage of bronze chrysanthemums.

Mr. Irving Harline of Roxbury was the best man.

Toastmistress Club Meets In Winchester

The Winchester Toastmistress Club had its second anniversary meeting at the Winchester Library on Tuesday evening, September 26.

Many guests attended this meeting including Mrs. Gladys St. Onge, President of the Wellesley Toastmistress Club, Miss Mary Binder of Dorchester, Dale Carnegie graduate, and Mrs. Edith Chambers, Mrs. Pauline Mallow, Mrs. Jean Brown and Mrs. H. Erb who are forming a Toastmistress Club in Malden and having their first meeting in October.

Mrs. Frances Ewing of Swampscott was a delightful Topic Mistress and presented the following subjects for the two-minute extemporaneous speeches: "I spent my vacation in — because", "How I started my hobby", "My first dance", and "How more people could be brought to the realization that they should vote". All members and guests participated in this part of the program, and the results were very interesting and informative.

After the meeting was adjourned, the members and guests proceeded to Randall's for refreshments and a social half hour.

The next meeting will be held on Tuesday evening, October 10, at 8 o'clock at the home of Mrs. Margaret Quirk, 13 R. Church St., Woburn, Mass.

"Here's the Pitch"

WBZ, WBZ-TV Sportscenter and

THERE'S A NEW era in New England football getting under way this fall. Long the gridiron doormat in college ranks, this area shows promise of taking the turn for the better. New coaches and a keener effort towards luring this section's better high school footballers to local colleges are given as the two major reasons for the improved outlook.

Right now, Boston University stands head and shoulders over the rest of the pack for a bright future. Though still a year or two away, the Terriers under Buff Donelli could conceivably earn a bid to one of the minor Bowl skirmishes this season.

Boston College suffered heavy graduation losses, but this fall's sophomores and new freshmen should bear good tidings in future years.

There's new hope, too, at Holy Cross with Dr. Eddie Anderson back at the helm.

But probably the most encouraging sign is the new thinking at Harvard. Yes, the Crimson are finally backing new football coach Lloyd Jordan with improved working conditions for its athletes. This year's Harvard freshman class is loaded with potential gridgers.

Maybe there's a Barry Wood, Chub Peabody or George Owen in the making.

FIELD HOCKEY

The Arlington Field Hockey Club will play its first game of the season against the Owls of the Greater Boston Field Hockey Association Sunday, October 8, 1950 at 2:00 p. m. at Robbins Farm.

The girls of the Arlington club have been practicing hard and are hoping for a victory come Sunday.

Spy Ponders March Over Leominster In Second Half Rout

By FRANK MAHONEY

A superb Arlington High school eleven broke a ten game winning streak and romped to their second victory of the 1950 season Saturday by defeating Leominster High School, 32-6, before some 4500 fans at the Warren A. Pierce stadium.

The highly touted Leominsterster, who, the Saturday before, defeated the Harvey coached Nashua High school 24-0, were no match for the speed of Don O'Brien and the power of Red Salisbury and Moose Muello.

The Saturday game started out to be a thriller with the Red and Gray scoring in the first three minutes of play to lead 6-0. The Leominster club opened the second period with an aerial drive to pay dirt which tied up the score six all.

Then the Arlington drive and power came to the forefront. Arlington scored the first time they got the ball after the kick off. They hit pay dirt again just two minutes after the third quarter opened and scored again before the period ended.

The Red and Gray went over for another tally in the top of the fourth quarter, running circles around a tired and beaten Leominster squad. The second and third strings went in for Arlington to finish the game.

The first period opened with Arlington on the receiving end. Salisbury took the ball on the Arlington 20 and carried it back to the thirty eight. The speedy O'Brien then carried and smashed to the Arlington forty seven.

O'Brien and Salisbury, the touchdown twins, proved their name by teaming up and running the pigskin to the foe's forty six yard marker. O'Brien then took off for a 39 yard dash carrying the ball to the Leominster six yard marker.

With a first down under his belt O'Brien toted to the three and Salisbury plowed to the one foot line. O'Brien went over for the first score of the day.

The score read Arlington six, Leominster zero. Oppedisano was to kick the point but a poor center pass forced Kenealy to run and he was tackled before the conversion could be made.

Arlington kicked to Leominster, they took the ball on their own 35 and smashed back to the Arlington 18 before the ball was lost on downs. Arlington took over and marched to their own 34 and were forced to kick out.

The quarter ended with the ball resting on the Leominster 36.

With time in and the second period under way Leominster took to the air. With Dion passing to Tata and Viva Amore, the ball was carried from the Leominster 36 to

the Arlington one. The attack was in 84 yard aerial and one of the longest marches staged on the Arlington club this season.

Leominster used up three downs before the got the ball from the Arlington one yard line into scoring territory. Tata finally went over on a line buck. The score then read Arlington 6-Leominster-6.

Leominster kicked off to Arlington and Muello captured the ball on the Arlington 20 racing back twenty seven yards to the 47. Salisbury lugged to the Leominster 44 and on the next play O'Brien passed to Oppedisano who went forty three yards for the second Arlington TD. The attempt at a conversion was not good and Arlington lead, 12-6.

The ball was on the Arlington forty four in Leominster's possession at the half.

The third period opened with Leominster receiving on their own 27. Wonka the fullback took the ball and lost ground to the 25. On the next play Viva Amore was trapped and as he ran back he tripped and fumbled with Kelly recovering for Arlington on the Leominster nine.

Salisbury carried for Arlington and on the first play ran around right end for another touchdown. Oppedisano kicked and it was good the score reading Arlington 19, Leominster 6.

Leominster received again on their own forty and struggled back to the Arlington 46 before losing the ball. They were forced to kick.

O'Brien grabbed the ball on his own twenty yard line and ran fifty seven yards before he was tackled. Salisbury took the ball on the next play and working out of a single wing, went over for another Arlington marker. The attempted conversion was not good and Arlington lead, 25-6.

Leominster could get no where with the ball after receiving it on the fifty and again were forced to kick.

O'Brien took the ball on his own 18 and in another 57 yard dash went all the way to the Leominster 25. A penalty put the ball on the 30 and Muello and O'Brien on two tries lost more ground to the 35.

The O'Brien took the ball on an end run and single handedly smashed through the whole Leominster team to their two yard line. The whistle blew and the quarter ended.

The fourth period opened with the ball on the two but Muello carried on the next play and scored the fifth Arlington TD. The kick by Oppedisano was good and Arlington led, 32-6.

Coach Henry Toczylowski put his second and third teams into action but the Leominster squad, could not gain against them.

Joe Egan made the only impressive run in the rest of the game, dashing twenty yards, but the Ar-

To Broadcast Big Game At Waltham Sat.

When Hank Toczylowski Arlington team meets Jack Fisher's boys at Waltham Athletic Field next Saturday (Oct. 7) WCRB-1330 will be on hand to broadcast a play-by-play account of the game.

With the kick-off set for 2:30 p. m., WCRB will take the air from the field at 2:15 p. m. Bill Sherman will handle the play-by-play, with Hal Richardson doing color. Between the halves there will be interviews with representatives from both schools, as well as colorful figures from the sports world.

The game broadcast will be preceded by Football Preview beginning at 1:30, with football music and predictions. Following the game WCRB broadcasts a round-up of area scholastic game scores as fast as they are telephoned into the station from more than fifteen athletic fields.

WCRB is located at 1330 on the dial.

Captain, Ace Halfback Out Of Waltham Game

Arlington High, 1949 class "A" co-champs, will face their greatest test since last year; Watertown game this Saturday.

Red Salisbury, ace right half back of the Arlington squad and Al Tartarini, captain and number one lineman, will be out of the lineup according to an announcement by Coach Toczylowski.

Salisbury is suffering from an injured shoulder, received in the Leominster game last Saturday.

Tartarini has a sprained ankle which was aggravated in the Saturday romp.

This announcement will come as a blow to Arlington fans who have been watching Salisbury smash through opponent's lines and race for T Territory.

Joe Egan, second string back, will take Salisbury's place in the lineup according to Toz.

Jack Fisher, Waltham coach, said this week, "The Arlington squad is one of the biggest in schoolboy circles and has plenty of reserve power as witnessed by last Saturday's game with Leominster."

Toczylowski retorted to this remark on Monday stating, "Our team is no heavier than theirs. For that matter I think the Waltham club is heavier."

According to spotters, the men to watch on the Waltham club are Joe Terrasi, Right half back, Eddie Beck, Left half back, and Frank Krol, full back.

To sum the whole story up, Henry Toczylowski said, "Lady luck and the breaks will decide the game."

SPOTS ON SPORTS

"Now we can work on that big one," was Coach Toczylowski's remark to reporters and well-wishers in the dressing room. Toz wasn't impressed by the fact that Waltham's early 20-0 lead over Medford didn't grow in the second half. He also was not impressed by the fact that the Watch City ace, Terrazzi, saw no service. "We'll see plenty of him next week," he added.

Charley Broderick, Leominster Coach and one of Massachusetts' veteran gridmentors, was loud in his praise of the Arlington team. "We gave them a game for the first half," he said, "but we couldn't stand the pace. They're too big too tough, and too good." The genial Charley, U. N. H. class of 18, and a football coach ever since, predicted that his team, which had captured 10 straight prior to today's game, would do all right in its own league out Leominster way. Charley got a big kick out of his 24-0 win over Buzz Harvey's Nashua eleven.

John Morine, school board chairman, congratulated Charley on his first half showing, and expressed the friendly relations which exist between the two Class "A" schools. Leominster has had some big teams in the past decade or two.

The Leominster coaches had praise for Ray Hayes and Bob Theller, while everyone agreed that big Dick Kelley was terrific in the third period, when Arlington came to life. Kelly personally accounted for two consecutive losses and set-up the third Arlington score with his speed in reaching the visiting ball carrier.

Arlington observers felt that Leominster's T formation passing attack was more effective than the kick formation and single wing style used in the latter part of the game. The home team dropped the T long enough to shake Red Salisbury loose a couple of times on an direct pass from center on the single wing, both times for touchdowns.

SELECTMEN'S NOTICES

The Joint Board of Selectmen and Public Works are meeting today to decide on changes in the Arlington side on changes in the Arlington Center traffic system.

The board scheduled this important meeting at a short session

last Monday in which they voted to permit the Community Chest to advertise on telephone poles during its campaign. The short session followed the regular weekly meeting of the Board of Selectmen.

At this meeting William O. Hauser was designated Coordinator of Civilian Defense; Joseph Jordap, Custodian; Warren E. O'Leary, Coordinator of the Department of Public Works; and George Dolan, Coordinator of the Moth Depart-

ment. William R. Dunn was appointed Substitute Election Officer in Precinct 10.

Other business at the meeting included the renting of the Town Hall to the Elks for Oct. 12, 13, and 14; to the Arlington Philharmonic Society for rehearsals on Oct. 20, 27, and Dec. 41 and Fall Concert on Nov. 13. The weekly report of the Inspector of Buildings showed assessments of \$24,861, for a monthly total of \$196,337. Usual theatre and restaurant licenses were renewed.

Union Services

A Union service of Arlington Protestant Churches was held Sunday evening at the First Baptist Church in observance of World Communion Sunday.

"Prayers for Peace" was the theme of the service, conducted by Churches.

Dr. Frank Jennings, Executive Secretary of the Massachusetts Council of Churches delivered the sermon.

The regular business meeting of St. Agnes Court No. 141 C. D. A. will be held at the American Legion Hall, Monday evening, October 9th at 8:15 P. M. There will also be a film of the Holy Year Pilgrimage. Tuesday, October 10th there will be a bridge & whist at the Legion Hall, Mrs. Resa Carroll & Mrs. Alice David are Co-Chairman.

Protestant Women Asked To Meet On Wednesday, Oct. 11

All the Protestant Women of the Town of Arlington are asked to gather in the Pleasant Street Congregational Church on Wednesday October 11, 1950 at 2:30 P. M.

The days October 8 to the 15 have been declared by the United Council of Church Women as Ecumenical Registration Week. The Arlington Council wishing to co-operate has set aside October 11 as Arlington Ecumenical Registration Day.

Come to meet and hear Mrs. Allen Knight Chalmers, President of the Massachusetts Council of Church Women. She will tell you, WHAT THE ECUMENICAL REGISTER IS, HOW IT STARTED, WHAT ITS GOAL IS, HOW THE MONEY RECEIVED WILL BE USED AND WHY EVERY WOMAN SHOULD REGISTER.

Be one of the first 1,000,000 women on the Ecumenical Register.

One woman can be forceful, 100 women can be helpful, 1,000 women can be powerful, but, 1,000,000 women, UNITED, are invincible.

Lets be proud to stand up and be counted.

I am looking forward to your co-operation.

Miss Margye I. Browne
Local Chairman

On Display At Local Library

"Rome, Views of the Eternal City" is the new exhibit that is to hang in the Robbins Library from October 9 to November 4. The emphasis of the exhibit will be on the churches important in the Holy Year celebrations, but other views of the city will be included. Many of the pictures are by the famous 18th century Italian etcher, Giovanni Battista Piranesi. There are also drawings and aquatints in the exhibit. The pictures have been lent by the Childs Gallery, the Fogg Museum of Art, Holman's Prints Shop, Marika's Antique Shop, and an anonymous lender.

Jewish Appeal Starts Sunday

The success of the 1950 Combined Jewish Appeal of Greater Boston hinges on the outcome of an intensive forty-eight hour campaign on Sunday and Monday, October 8 and 9, which will witness thousands of volunteers conducting an all-out canvass of every Jewish home in the Greater Boston area.

Sunday has been designated as 'CJA Day,' with Monday 'Women's Day for CJA.' The two days will be devoted to soliciting contributions for the Combined Jewish Appeal of Greater Boston from residents of the entire area. Men will be solicited on Sunday, while women will be called upon for their gifts on Monday.

The Combined Jewish Appeal raises funds for Jewish needs throughout the world. Major beneficiary of the drive is the United Jewish Appeal which maintains relief and reconstruction programs in Israel and serves DP's who must emigrate to the United States or Israel. Also supported by the campaign are the 22 local health and welfare services of the Associated Jewish Philanthropies and close to 200 national and overseas agencies.

Dr. Alfred Yood, Arlington chairman, stated, "To help us carry out our plan successfully, we ask every contributor to cooperate by staying at home until the worker has called for his contribution. Full coverage of every pledge card is essential to enable our community to do its share in raising the \$7,680,000 which has been set as the Greater Boston goal."

Urging women to give generously, Mrs. Eli Reingold, Arlington Women's Division Chairman, declared, "Monday is one day when a woman's place is definitely in the home... unless she's a worker. Please remember that our volunteers are donating their time and

Park Florists Opens Friday

Grand opening of the new Park Florists at 1371 Mass. Ave., Arlington Heights, will take place on Friday, October 6.

Myrtle L. Hoeg and R. Erick Erickson, well known in the floral business locally, are the owners of the new firm.

Mr. Erickson was with Sidney Hoffman Jr., florist in the Hotel Kenmore, Boston. He was also an instructor at the Cambridge Center for Adult Education.

Myrtle L. Hoeg, formerly with Tobey Florists of Belmont, is also widely experienced in the field. Both are residents of Arlington, and are active in social activities here.

They will specialize in floral design and decorations for weddings, parties, banquets, and funeral designs.

Firefighters At Local Boy's Club

A special event of unusual interest will be held next Tuesday at 4:00 p. m. at the Arlington Boys' Club. In a joint effort with the Arlington Fire Department the Boys' Club members will witness a demonstration of a modern fire department at work.

Chief Richard Tierney will be the guest of honor and Captain James "Jim" Doherty will present the many items from the Special Service Kit.

A simulated asphyxiation and resuscitation demonstration will precede the showing of several short, exciting films on the prevention and treatment of fires.

All Boys' Club members turning in signed fire fighters safety pledges will receive tickets as members of the Fire Fighters Brigade of the Boys' Club. Lieutenant Edward Carroll of the Brookline Fire Department will also be on hand with some special pictures.
